

PICKENS COUNTY, GA SIGNS: Permit & Ordinances

Commercial, Free-Standing, Building Signs

Please be aware of the following:

- For proposed freestanding signs with property frontage on Highway 515, signs can be maximum 20 feet tall and 100 square feet in size.
- For proposed freestanding signs with property frontage on all other State routes (Hwy 53, Hwy 136, etc.), signs can be maximum 15 feet tall and 50 square feet in size.
- For proposed freestanding signs with property frontage on all local roads (Cove Rd, Hill City Rd, etc.), signs can be maximum 10 feet tall and 32 square feet in size.
- All signage on public thoroughfares in Pickens County is subject to regulation by county ordinance. See Pickens County Ordinances: Chapter 4 for details concerning allowable signs.

The one-time charge for a permit is \$1.00/square foot with a minimum charge of \$25.00. If the sign is “two-sided,” there is a charge for each side.

Prior to erecting any signage, you must have a permit issued by the Office of Planning and Development.

An application is available at the Planning and Development Office or [Download it Here.](#)

Be sure to include in the description on you application:

- Size
- Picture or drawing
- Type of sign [see [Ordinance](#)]

Private Road Sign Fees

- Single Street Sign \$125
- Double Street Sign \$150
- Other Road Signs \$45 each
